Dear Parent/Carer

We are now required to record students' country of birth and nationality as part of the termly school census to the DfE.

Therefore, if your child's nationality is anything other than British or their country of birth is not United Kingdom, please could you complete the form and return it to the school office by **Monday 3rd October**.

Should you not return the form, we will assume that your child's nationality is British and country of birth is United Kingdom.

Armed Forces Personnel

Every year we are required to supply information to the Department for Education (DfE) of students whose parents/carers serve or have served in the Armed Forces (Army, Navy or RAF).

If you are a serving member of the armed forces, or have served in the last four years, please complete the reply slip and return to the school office by **Monday 3rd October**.

The School will receive £300 Pupil Premium funding this year for each of these students.

Please do not hesitate to contact me if you have any queries.

Yours sincerely
