

Headteacher:

Mr A Bazen BA (Hons) PGCE, NPQH

January 2018

Dear Parent/Carer

As part of Curriculum Acceleration Day I am organising a trip to Brokerswood Outdoor Activity Centre near Westbury for Year 10. Students will have the opportunity to take part in different activities that could include: Tarzan high ropes course, Fire lighting, Archery, Battle Archery (They get to shoot each other!), Tree climbing and Problem solving. It is a great opportunity for them to take part in sports they may not normally have had a chance to whilst being guided by specialist activity leaders.

Details:

Year Group: Year 10

Date: Monday 5th March

Depart: Wyvern at approx. 8:00 a.m.

Return: Approx. 4:00 p.m.

Cost: £20.80

Lunch: Packed lunch is required (no fizzy drinks)

Uniform requirement: There is no requirement for uniform, however please ensure that long sleeves and trousers are worn. They will also get muddy and possibly torn so old clothes are a good idea.

Payment: If you would like your son to attend, please log on to ParentPay, submitting payment, medical information and contact details in the box provided. A parent consent form is also required by Brokerswood and will be sent home as soon as places are confirmed. **Please note payments for this trip are non-refundable unless the school cancels the trip for any reason. There are limited spaces available.**

Parental Consent: By ticking the consent button on the ParentPay system you are agreeing to the following:

I agree to impress upon my son the necessity to behave responsibly and to help the leaders to ensure the safety of everyone on the visit. I am aware that Wyvern College has a detailed planning procedure for the safe running of educational visits, which I can discuss with Mr Montague the Educational Visits Co-ordinator at the college.

I am also aware that the college's educational visits are always well organised with particular attention paid to health and safety. I understand that there can be no absolute guarantee of safety, but appreciate that the college leaders of the visit retain the same legal responsibility for students as they have in school and will do everything that is reasonably practicable to ensure the safety of everyone on the visit.

Whilst on an overseas trip, we are all ambassadors of the College and high standards of behaviour are expected. It is essential that your son responds to requests from staff immediately. If your son's behaviour at College suggests that he will be unable to conform to these requirements then his suitability to make the trip will be reviewed.

Yours Sincerely

B Elliott
