I agree to impress upon my son the necessity to behave responsibly and to help the leaders to ensure the safety of everyone on the visit. I am aware that Wyvern College has a detailed planning procedure for the safe running of educational visits, which I can discuss with Mr Montague the Educational Visits Co-ordinator at the college.

I am also aware that the college's educational visits are always well organised with particular attention paid to health and safety. I understand that there can be no absolute guarantee of safety, but appreciate that the college leaders of the visit retain the same legal responsibility for

students as they have in school and will do everything that is reasonably practicable to ensure the safety of everyone on the visit.

Whilst on a trip, we are all ambassadors of the College and high standards of behaviour are expected. It is essential that your son respond to requests from staff immediately. If his behaviour at College suggests that you will be unable to conform to these requirements then your suitability to make the trip will be reviewed.

Yours sincerely
