

Wyvern College

St Edmund's Girls' School

Spring 2019

Dear Parent/Carer

As you are aware, we have a cashless catering system at WSE. A student recognition system using biometrics allows us to make the best use of our cashless catering system.

This system improves the services we are able to offer students significantly, with benefits including:

- Reduction in queuing time for break and lunch
- Improved security for handling cash transactions in the school
- Students will not have to remember to bring money

In order for your child to use the biometric system, one parent/carer will need to read, sign and return the attached form. We will also offer an opportunity for a parent/carer to opt out for those students who, upon consideration, would prefer to use a PIN code.

We would like to make it clear that Wyvern St Edmund's complies at all times with the Data Protection Act and with the provisions of The Protection of Freedoms Act 2012 (which came into force in September 2013) regarding the use of biometric data.

Further information about biometrics is enclosed.

If you have any queries and would like to discuss this further, please feel free to email: krobins@wyvernsted.org

Yours sincerely

Mrs K Robins
Finance Officer
