

October 2019

Dear Parent/Carer

**Parent Forum, 17<sup>th</sup> October 2019**

You are warmly invited to attend our first Parent Forum group of this school year.

This will take place on Thursday 17<sup>th</sup> October, starting at 6pm. Please sign in at reception.

We believe everyone involved in the Learning Campus should have the opportunity to contribute to its ongoing development. Your views are very important to us and really do inform our decisions about the best way to help your child.

As result of the forums we held last year we have taken steps to improve our communication with our families with the introduction of the Parent App and the Family Bulletin. We have received positive feedback from many of you about these. At the last meeting in July the forum provided us with a valuable starting point for our work this year to redefine our school values and Christian ethos.

The focus of this meeting will be our reporting system to parents and carers on your child's progress and attainment.

The meeting will last no more than an hour and refreshments will be provided.

We very much look forward to welcoming you.

If you are able to attend and can let us know in advance to help with logistics please email:

However, please do feel free to just turn up, the more the merrier!

Kind regards
